

MeetTheRealMcCain.com

John McCain is no moderate when it comes to defending pro-choice values of freedom and privacy. Since he was first elected to Congress in 1983, John McCain has taken 130 votes on choice. He voted anti-choice 125 times.¹ (U.S. House, 1983-87/U.S. Senate, 1987-2007, <http://www.prochoiceamerica.org/elections/statements/mccain.html>)

McCain in His Own Words

"I do not support *Roe v. Wade*. It should be overturned." (Ann Althouse, *Rudy & Mitt Hem & Haw on Abortion*, N.Y. TIMES, Feb. 24, 2007)

"I have many, many votes and it's been consistent. And I've got a consistent zero from NARAL throughout all those years." (Transcript, *The Full McCain: An Interview*, National Review, March 5, 2007.)

When it comes to choice, McCain is neither a moderate nor a maverick. He's just plain wrong.
