BUT IF DONALD TRUMP GETS HIS WAY, ABORTION COULD BE CRIMINALIZED.

For 45 years, Roe v. Wade has been the only thing stopping anti-abortion extremists from an all-out assault on our reproductive rights.

Donald Trump believes “there has to be some sort of punishment” for women who have an abortion.¹

Abortion could become a crime:

- Thirteen cases that would gut Roe v. Wade are making their way to the Supreme Court right now.²
- Anti-choice extremists want to overturn Roe v. Wade, the 1973 landmark Supreme Court decision that made abortion access safe and legal, and criminalize abortion - even in cases of rape and incest.
- Across the country, state legislatures are working to restrict and criminalize abortions when this happens.³

YOUR VOICE HAS NEVER BEEN MORE CRITICAL.
