

NARAL Pro-Choice America Seeks Phone Canvasser

Organization Summary:

As the nation's leading pro-choice advocacy group, NARAL Pro-Choice America is dedicated to protecting and expanding reproductive freedom for all Americans, including abortion access.

Along with more than one million member activists from all 50 states and network of state affiliates, NARAL works to guarantee that each woman has access to the full range of reproductive freedoms. This means we're on the front lines in the fight to expand access to abortion, make contraception more affordable, prohibit discrimination against pregnant woman, and ensure all parents have access to paid leave. In recognition of our work defending the constitutional right to abortion, Fortune Magazine rated NARAL as "one of the top 10 advocacy groups in America."

At NARAL, we don't operate or litigate; we organize and mobilize. Working together, we push our friends to be bolder, lift up the champions fighting with us on the front line for true reproductive freedom, and we shine a spotlight of accountability on bad actors that works to impose their ideological agenda on others.
