Organization Summary
For fifty years, NARAL Pro-Choice America has led the fight for reproductive freedom for everyone, including the right to access abortion. Powered by more than 2.5 million members from all 50 states and a network of state affiliates, NARAL Pro-Choice America represents the more than seven in 10 Americans who believe every person should have the freedom to make the best decision for themselves about if, when and how to raise a family. This means we’re on the front lines in the fight to expand access to abortion, make contraception more affordable, prohibit discrimination against pregnant women, and ensure all parents have access to paid leave. In recognition of our work defending the constitutional right to abortion, Fortune Magazine rated NARAL as “one of the top 10 advocacy groups in America.”

At NARAL, we don’t operate or litigate; we organize and mobilize. Working together, we push our friends to be bolder, lift up the champions fighting with us on the front line for true reproductive freedom, and we shine a spotlight of accountability on bad actors that work to impose their ideological agenda on others.
